

P arent T eacher S tudent A ssociation

Welcome to a new and exciting school year at Poway High. My name is Cynthia Iliff and I am honored to serve as your PTSA President again this year. The PTSA has another great year planned to enrich the school experience for all students, facilitate communication between school and home, and provide support to our teachers and staff. But we can't do it without you! We invite you and your students to join the PTSA, which supports **ALL** parents, students, and teachers. Your membership and direct financial donations make our activities possible. The gift of your time as a volunteer is also essential to our success. Bring this completed form to registration on August 10 ~ 14 along with your membership dues and/or donations. Even if you don't have time to be involved, your membership dues help finance our student programs. You can also become a member online at <http://powayptsa.org>, by returning this form and payment to the front office, or by mailing it with payment to Poway High School 15500 Espola Road, Poway, CA 92064.

We also welcome your **Direct Donation**. This is a one-time monetary contribution of any amount. One hundred percent of your donation goes directly to Poway High PTSA and is used to help support many student-centered programs and teacher appreciation events.
